

## Job description

### Join Our innovative Team Building & Planting Exceptional External Spaces!

#### About us:

We have designed and built gardens for thirty years and have a wealth of knowledge and experience to enable you to succeed in your landscape career. If you want to know about RHS show gardens, bespoke designs and innovative construction techniques then we are the company for you.

#### Work With Us On:

**Exciting Projects:** That range in size and complexity, understand the levels and volumes, materials and their application, lift in large trees and plant up stunning gardens.

**Pro-active Working:** be part of a collaborative work environment where knowledge is shared and valuable experience gained to achieve fantastic work results.

**Career defining:** Our commitment to your growth is only limited by your own imagination.

**Innovation:** From the designs we produce to the machinery we have and use, allowing you as an individual to develop, making work easier and enjoyable.

**Award Winning:** Be part of the team that makes the difference and contribute in creating an award winning project, we have won 3 national BALI awards this year..!

**Future work & Opportunities:** We currently have several large private landscape schemes that start in 2025 that range in hard and soft complexity and two RHS Chelsea show gardens.

#### Our position requirements:

**Trainees:** Must have a positive attitude to learn all aspects of the landscape industry in both hard and soft landscaping and be able to communicate well and drive.

**Semi-Skilled landscapers:** A Can-Do attitude is essential to continue your learning of all landscape skills which we can assist you with.

**Skilled landscapers:** Must have a proven track record in hard and soft landscaping.

All applicants must be Polite, Honest, Approachable, professional at all times and be able to drive, trainee's must be able to get to our office/yard for 7am. All applicants will be provided with ROLO/ H & S training.

Your Salary will be dependant upon your skill level, experience and references

Job Type: Full-time, Monday to Friday

Pay: £20,000.00 - £38,000.00 per year
